Tools that make you a better carpenter

OCTO 200, 300 & 400 FOLDING SQUARE For professional pockets

NOBEX OCTO 200, 300, & 400

Handy folding square that fits in your pocket. You can take it anywhere you go. It locks accurately at 8 angles with a patented mechanism. This is a precision tool, made in aluminum and stainless steel. Each position has a tolerance of $\pm 0.05^\circ$. It folds closed to slide into a pocket. The Nobex Octo has been tested with the same accuracy after 50 000 complete folding cycles.
