

Description

The MILA Hero Offset Espag Handles are strong and reliable, having been tested to 50,000 cycles and also to 50kg lever pull test. The stylish design also includes a patented easy-slide screw cover cap which matches the handle finish, and a comfortable rounded lever grip. The offset handles feature a positive stop on the rose and are handed to suit either left hand or right hand applications. They are corrosion resistant (tested to 240 hours salt spray) and come complete with a 10 year guarantee.

10 Year Guarantee

-
